FOR IMMEDIATE RELEASE

HYUR Manufacturing's Virtual Roundtable: Bridging Talent and Opportunity in the Manufacturing Sector

Cincinnati, OH (February 1, 2024) – HYUR, a leading full-service recruitment agency specializing in connecting exceptional talent and employers within various industries, including Healthcare and Manufacturing, announces its highly anticipated Manufacturing Virtual Roundtable scheduled for Wednesday, February 21, 2024. This exclusive event will delve into current manufacturing openings and discuss how HYUR is uniquely positioned to assist candidates in achieving their career aspirations with their field of study or skilled trade.

"At HYUR, we seek career-minded individuals who are looking for a long-term position, and our goal is to make sure we're matching candidates with the opportunity that is the best fit possible," said Helie White, Account Manager at HYUR. "Our Manufacturing Virtual Roundtable aims to showcase the array of opportunities available in the manufacturing industry and highlight how HYUR's personalized approach can empower candidates to land a job they'll love."

The Manufacturing Virtual Roundtable serves as an invaluable platform for job seekers and talent acquisition specialists alike to explore the diverse opportunities within the

manufacturing sector and understand how HYUR's comprehensive workforce solutions can facilitate career advancement and foster long-term success.

Key highlights of the Manufacturing Virtual Roundtable include:

- **Discussion on Current Manufacturing Openings:** Gain insights into the latest job opportunities, skill requirements, and career pathways within the manufacturing sector.
- **HYUR's Role in Career Guidance:** Learn how HYUR provides tailored career guidance, exclusive access to top opportunities, and personalized support throughout the hiring process.
- **Personal and Professional Growth:** Understand HYUR's commitment to understanding each candidate's unique goals and fostering growth opportunities that transcend expectations.
- **Success Stories and Recruitment Approach:** Explore HYUR Manufacturing's partnership with skilled trade professionals, providing high-quality career growth opportunities and establishing HYUR as the go-to choice for professionals in the manufacturing sector.

"I could not be where I am today without the hard work of my recruiter, Whitney, and all the wonderful people at HYUR who invested their time into my career path," explains Sean J., current associate of HYUR. "After explaining what I needed from an employer, and using the information I gave about myself and my skillsets, Whitney was able to help me attain my dream job."

Sean J. receiving 2023 Associate of the Year Award from HYUR recruiter, Whitney Kelly

The Manufacturing Virtual Roundtable welcomes participants from diverse backgrounds, including students, professors, skilled trade professionals, HR specialists, and recruiters. Registration for the event is free and can be completed online via <https://bit.ly/3tuGKC0>.
